Babolat Summer League 2017 Match Secretary's Report

This summer the league adopted the scoring system that has always been used in the winter leagues – i.e. 1 point per set won.

Once again there were 7 Faringdon teams in the league, 2 Men's, 2 Mixed and 3 Women's.
Most successful were the Men's A captained by Adrian Noke, who finished second in Division 3 and will be promoted next summer, all the other teams will stay in the same divisions.
Once again thank you to all the captains for organising teams – from previous years Mark Kiff, Juliane, Chris & Susanna continued and were joined by new captains Adrian, Carol Hand & Paula Bray.

Something new this summer was Faringdon teams playing in the Midweek leagues for the first time. Matches are played on midweek mornings with lunch afterwards and are relaxed friendly affairs that have been enjoyed by many players who have not represented the club before.

Thank you to all the players who have captained teams so efficiently over the years. Adrian Noke is now taking over as Match Secretary and I am sure will be supported as well as I have been .
