

Wilson League Report Summer 2014

As in previous years, 5 teams played in the Wilson Oxfordshire League, 2 ladies, 2 mens and a mixed team. Both Mens teams and the Ladies B team had new captains, Matt Williams, Mark Mobey and Nicola Foster, joining long time captains, Susanna Hunt & Juliane Spiers.

Thanks to them all for organising the competitive tennis so efficiently.

The favourable summer weather has meant that only a few matches have been cancelled, although some of the games played on the hottest days became very slow & long drawn out.

All matches have now been completed, the mens & ladies teams will all remain in the same divisions next summer. but the star team this summer is the Mixed team, led by Juliane, who have been undefeated and won their the division – congratulations to all who played.

Added interest and more prospective match players mean that extra teams are likely to be entered in Leagues next summer
